

School Board Education Research Open Space Networking and Sharing Session

February 24
10:30 am - 2:30pm
Toronto District School Board
1 Civic Centre Court, Etobicoke

In response to the popularity of the “Researcher Coffee Break”, the Data User Group and AERO are coordinating an opportunity for school board researchers to share current practices, issues and lines of inquiry.

The morning will feature an open-spaces forum where participants will highlight themes and topics of interest and the afternoon will feature breakout sessions for deeper discussion.
